Accredited NZX Participant Firm and NZX Investment Advisers

National Branch Network

Our Private Wealth Services

Managed Portfolio Service

- Our premiere service, ideal for investors who value having more time, as well as superior investment advice
- Proactive service, complete administration and preferential access to new issues

Investment Administration Service

- Simplify the administration of your investments
- Comprehensive administration of your investments and regular performance reporting

Sharebroking Service

- A full broking service across all of the world's major share and bond markets
- We offer objective advice in all asset classes; listed and unlisted securities, fixed interest and private equity

Cash Management Accounts

- On call deposits, multi-currency
- No entry, exit or transaction fees
- Electronic settlement of your share and fixed interest transactions

kiwiSTART®

- One of New Zealand's most flexible KiwiSaver schemes, with all the government incentives
- Choose your own securities to personalise your portfolio

mySTART®

- A unique investment plan with the flexibility to create your own personalised portfolio
- Ideally suited for new investors that allows regular or lump sum contributions

superSTART®

- A flexible superannuation scheme with earlier access to your funds than KiwiSaver
- Choose your own securities to personalise your portfolio

UK Pension Transfer Service

- Complimentary service to bring your pension back to NZ
- You may access your funds at retirement tax-free
- Control your investment locally, with professional investment advice
